

CABLE BOLTS

GROUTING CONSUMABLES

	Part Number	Description	Application
Grout Tube	TUBE20GRB	20mm O.D. Grout Tube - Pressure rating PN16 - 100m per roll	Used with Bux Plug & Bowen Cable. Along with 15.2mm varieties
	TUBE16GRB	16mm O.D. Grout Tube. - Pressure Rating PN16 - 300m per roll	Used for general "bottom-up" grouting
	TUBE16 (length) GR	Pre-Cut 16mm O.D. Grout Tube - Pressure rating PN12.5 - Chamfered end and drill hole on ejection end	Used for "top-down" grouting
Grout Gun	GROUTGUN16	Grout connector for 16mm grout tube	Top-down grouting
	GROUTGUN20	Grout connector for 20mm grout tube	Bottom-up grouting
Grout Lance	LANCETG(length)	Grouting lance for connection to TG Bolt, c/w high pressure seals and pressure relief valve	For grouting of TG Bolts. Variable lengths available
	LANCENT(length)	Grouting lance for connection to TG TOTO Bolt, c/w high pressure seals and pressure relief valve	For grouting of TG TOTO Bolts. Variable lengths available
Breather Tube	TUBE05BRN	5mm O.D. Breather Tube - 200m per roll - Yellow in colour	Used for breather on twin-strand cable bolts & trusses
	TUBE13BRN	13mm O.D. Breather Tube - 100m per roll - Various colours	Used for breather on Bulbed SuperStrand
	CYL04(length)	1/4" air breather tube - Supplier per cut length or on rolls - Black in colour	Used for breather tube extensions on Bowen Cables
Tube Connectors	COUPLER14	1/4" air breather tube connector	Used to connect breather tube extensions to Bowen Cables
	COUPLER16	16mm poly end connector for grout tube - 3/4" male or female thread	When threaded to a Minsup, used for connection of 1" grout delivery line to 16mm grout tube
	COUPLER20	20mm poly end connector for grout tube - 3/4" male or female thread	When threaded to a Minsup, used for connection of 1" grout delivery line to 20mm grout tube
Hole Seals	COTTONWASTE	Bag of Cotton Waste	Used for packing any "bottom-up" grouted cable hole
	JENPAC	Jennfoam cartridges	Expanding foam for injection into hole for sealing cable hole
	SILENTSEAL	Silent Seal Kit	Silent Seal Mine Ventilation Air Sealant quickly expands, fills, seals, coats and sound dampens areas above and underground.

Features

- Components are available in combined "Kit" forms to suit the number of cables per package

Jenmar Australia Pty Ltd products are manufactured and supplied to the specifications shown on our product information sheets, or to an agreed customer specification. The customer (purchaser) is responsible for checking the suitability of products for their intended use. Furthermore, we make no representation about the time or costs associated with your installation of the products.
