

Mesh

Mesh Strap

Features:

- Typically flat sheets if larger wire diameter and dimensions suitable for wall support
- Wire diameters, spacing and overall dimensions can be customised to suit particular applications such as mesh arches.
- Customised paint lines along the modules to suit bolt patterns

Packaging:

- Steel or plastic strapping
- Bundle sizes to suit the customer

Wire diameter (mm)	Weld Strength (kN)
4	4.7
5	7.5
5.6	9.4
7	14.4
8	18.9
10	29.5
Wire Grade	AS4671:2001 - Grade 500L
Galvanising	AS 2423:2001 W02Z >80g/m ²
