

Industrial Mesh

Reinforcing Mesh

Features:

- Standard Sheet size 6.0 m x 2.4 m
- Available in both RL or SL configurations
- Other sizes available on request (minimum order quantities apply)

Property	Typical Value						
Wire Diameter (mm)	4	6	7	8	9	10	12
Tensile Strength (kN)	6.5	14.7	20	26.1	33.1	40.1	58.8
Apertures	Multiple options from 100 mm to 200 mm						
Wire Grade	AS4671 Grade 500L & 500N						
Coating	Black						
Welding	AS1304 : 1991
